DEATH OF MR. A. WELSFORD

Son-in-Law of Mrs. Cheeseman; Mr.
and Mrs. K. Rear and Daugh-
ter Leave for Alberta

(Review Correspondent)

WEST SAANICH, Feb. 22.—It was very unfortunate that the films which were to have been shown at West Saanich Hall were held up somewhere between here and Winnipeg, on account of the storm. The result was that Messrs. Woodward and Hollins were obliged to use films that were old and defective. Mr. Hollins very kindly filled in the breaks by giving a couple of comic recitations, which were much enjoyed, and after Mr. Woodward had explained why the films had not arrived the crowd good-naturedly settled themselves to an hour of the best that was possible under the circumstances. This week the films will be on hand, and it is hoped there will be a good crowd.

Mrs. A. Heyworth, who had been suffering from a very bad cold for the past three weeks, is now able to be about again.

Mr. A. Guy is putting in some tile drain on the property belonging to the Misses McDonald.

Mrs. Cheeseman and son, W. Cheeseman, spent Sunday at the home of Mr. and Mrs. Parsell. Mrs. Cheeseman has just received news of the death of her son-in-law, Mr. A. Welsford, of Nanaimo. Mr. Welsford was married to Miss Ethel Cheeseman about five years ago and they have been making their home in the South since that time. He is survived by his widow.

Mr. and Mrs. Ellwood Rear left on Sunday afternoon for their home in Alberta after spending a month with Mr. and Mrs. Rear, of Sluggetts. They were accompanied by Miss Rene Rear, who has accepted a position in one of the Alberta schools.

Mr. Donald Anderson, who has been visiting at the home of Mr. and Mrs. J. W. Sluggetts for the past two weeks, left for Victoria on Friday last. After a short visit with Mr. and Mrs. G. H. Sluggetts, Dallas Road, he left on Monday afternoon for his home in Calgary.

Mr. R. C. Lang, Mr. and Mrs. W. Lang and Mr. and Mrs. Harper were visitors at the home of Mrs. J. L. Lane on Sunday afternoon.

Alderman Aiken, of Victoria, spent a busy time in Tod Inlet and surrounding district on Friday last. Mr. Aiken is connected with the Great West Life Assurance Co., and has the distinction of having led the province of B. C. for the past two years in the amount of insurance written, and the present indications are that he will retain the honor for some time. He wrote new policies to the extent of several thousands of dollars in this locality during his recent visit.

Mrs. Pike, Mrs. Stephens and Mrs. Patenaude spent Saturday afternoon with Mrs. Parsell.

Mr. G. H. Sluggetts spent Saturday at his summer cottage, Brentwood Bay.

PARTY LAST SATURDAY NIGHT

Mr. and Mrs. Samuel Roberts Were
Really and Truly Surprised;
Evening Much Enjoyed.

Mr. and Mrs. Samuel Roberts were given a surprise party last Saturday evening, when about twenty guests from Deep Cove and Sidney walked in and took possession of their home and spent a delightful evening playing cards, singing and enjoying their selves generally. The following were present: Mr. and Mrs. Leauge, Miss Daisy Matthews, Mr. and Mrs. Rich and Jackson, Mrs. North, Mr. and Mrs. Calvert, Miss Dorothy Calvert, Miss North, Mr. Wm. North, Mr. R. North, Mr. B. North, Miss Derrick, Mr. and Mrs. John Roberts.

OFFICERS ELECTED.

A Parent Teachers' Association was formed in Sidney last Tuesday evening, quite a number of the residents of the district being present. The officers elected were: President, Mr. E. Blackburn, vice president, Mrs. A. J. Campbell, secretary treasurer, Miss Olson. The following committee was appointed to act with the officers: Rev. Mr. Storey, Mr. Jones, Mrs. D. Harvey and Mrs. Dickson. It was decided to hold monthly meetings on the third Tuesday. Membership in the association is open to single people as well as parents. The membership fee is \$2.00 a year.

Rev. Mr. Storey gave a very interesting address during the evening, which will be published in full next week.

DREDGE AJAX HERE.

The dredge Ajax came into port last Friday afternoon to dredge a channel to the Sidney Mills loading wharf, the channel to be 10 ft. at low water. The tug Point Ellice, Capt. Fletcher, brought her in, and will be in attendance during the stay here, which will be about ten days. While the dredging is to be done under the Public Works Department, Capt. G. W. Brown will be in charge of the work.

The chief engineer of the dredge Ajax, Mr. Jas. Grant, is an old time resident of Victoria, and the owner of considerable land near Elk Lake. He has been in the service of the Dominion Department of Public Works for over twenty-one years and takes a great pride in the engines of the Ajax.

PARTY HELD AT MAYNE ISLAND

Mr. and Mrs. Garrick, of Mayne Island, Pleasantly Surprised Last Wednesday Night.

(Review Correspondent)

MAYNE ISLAND, Feb. 21.—Really, we can truly say the Mayne Islanders have the dancing craze, for we have two more dances to record this week, one at the Mayne Island Hall last Monday. The usual large crowd did not appear at this dance owing to the short notice, but those who did turn out enjoyed it thoroughly. The second was a most successful surprise dance which Mr. and Mrs. Garrick's friends gave them last Wednesday, the Misses Garrick having been let into the secret, not the gay party at Mr. Bert Emery's store and conducting them to the family residence, Mr. and Mrs. Garrick being taken completely by surprise. About twenty were present, and dancing was kept up until 1 a.m.

Our policeman from Salt Spring visited Mayne Island to collect the dog tax during the week. He also visited Saturna.

Dora and Margaret Payne, of Saturna, are visiting at Point Comfort during their mid-term holiday.

Miss Valerie Maude is confined to her bed with a bad cold and is feeling very sorry for herself.

Mr. Morison, of the Soldiers' Settlement Board, is visiting Mayne Island.

Miss Scanes, the sister of Capt. Alex. Scanes, has arrived from England to stay with her brother on Mary Ann Point, Galiano.

Salmon are running in Active Pass, an Indian catching a twenty pounder last week.

Signs of spring are fast approaching, everyone is busy digging up their gardens with the hope we may have a good show of gardens this summer.

LAUGH AGAIN IN COMMISSION

Mr. Drummond's Launch Repaired;
A Suggestion Made to Those
Bachelors.

(Review Correspondent)

GANGES, Feb. 21. Mr. Drummond's launch, which was wrecked some time ago, is once more in commission and left Ganges for his home at Fulford.

It is hoped that the "Little Tabby Alice" of Mayne Island, has found a congenial and refined home. Perhaps one of the twenty-three bachelors of Saanichton or thereabouts might console himself with a nice cat, if he is not brave enough to seek anything nicer!

Major Ellis injured his hand by getting it caught in his engine while it was running.

Mr. Gilbert Burrows, of North Vancouver, has been spending a few days at Ganges. He is visiting his two little sons, who are pupils at Formby House School.

Mr. Richard Toyneburn burned his hand and arm severely with gasoline during the week while in his shop.

On Tuesday afternoon the Ganges football team went to Fulford for a game with South Salt Spring team at Fulford Harbor. The home team won.

Mr. Oliver Eaton, who some time ago, gave his hand a very bad cut and has since been in the Lady Minto hospital, has returned home. He expects to regain full use of his thumb, which at first was doubtful, owing to the severity and location of the cut.

Chester Martin cut his ankle with an axe while working at some temporary repairs to the Ganges wharf.

We are glad to say that Mrs. Lane Mount is doing nicely at the Lady Minto hospital. She was taken in on Tuesday suffering from blood poisoning.

The ship at the Ganges wharf has been temporarily repaired. This will enable freight to be discharged at any time or tide.

Last year an imported Mallard duck and drake of big size and healthy strain were sent to Sidney and put in the care of the local fishery. This year the duck has been back from which it is hoped to raise a brood of about one hundred.

BIRTHDAY PARTY MUCH ENJOYED

Military Five Hundred Drive Held;

W. S. WOMEN'S INSTITUTE

The Home of Mr. J. W. Watt Visited
and a Very Enjoyable Afternoon
Was Spent by All.

(Review Correspondent)

SLUGGETTS, Feb. 21.—A birthday social was held by Mrs. W. Watt at her home, Glendale, Durranse Cross Road, last Tuesday afternoon, about eighteen persons being present, including members of the West Saanich Women's Institute and their friends. The contests held caused much amusement. The flower contest was won by Miss M. Freeland. The bean-guessing contest was won by Mrs. Atkins, and the whistling contest was won by Mrs. R. W. Sluggetts. The prizes were donated by the hostess. While dainty refreshments were being served Mrs. Freeland rendered several piano selections, which were much enjoyed.

The military five hundred held under the auspices of the West Saanich Women's Institute proved a very enjoyable affair. Those winning first prize were Miss Gladys Lindsay, Mr. W. O. Wallace, Mr. J. Osborne and Mr. Bettis. Consolation, J. McLean, E. Sidwell, A. E. Hole and H. Bradstock. Another of these delightful drives will be held on Wednesday, March 2.

Mr. Allen Hawthorn, of Bamerton, had the misfortune to run a nail in his foot the other day. Although very painful, it is not expected that he will suffer any serious consequences.

Mrs. H. B. Ruth and her two sons, who have been visiting her parents, Mr. and Mrs. W. O. Wallace, left for their home in Eugene, Ore., last Sunday.

The Central Committee held their quarterly meeting last Thursday afternoon at the W. S. C. A. rooms, Victoria, with a large number of delegates present. It was decided at this meeting to ask Sooke, Colwood and Metehosin Institutes to send delegates to the Saanich Central Committee, as members from these Institutes had asked to be admitted. These committee meetings are most helpful to Institute members. During the afternoon Mr. May addressed the meeting on why the city schools passed their entrance pupils on recommendation and the rural pupils in schools under seven rooms had to take examinations. Mr. May stated it had been tried in the city schools as an experiment. Delegates to the Central Committee from the Institute were Mesdames Guy, Crocker, Kerr and Murray.

The Executive of the Islands District Women's Institute met last Friday morning in the Parliament Building, Victoria, Mrs. Watt, M.B.E., presiding. The ladies were read and discussed thoroughly. The meeting was a very successful one. The officers of the executive are as follows: Mrs. Mallard, of Comox, vice chairman; Mrs. B. Deacon, of Sidney, recording secretary; Mrs. Neal, Colwood, corresponding secretary; Mrs. Murray, West Saanich, treasurer; Mrs. Watson, Gordon Head, Mrs. Foster, Strawberry Vale, finance committee; Mrs. Hawkins, of Sooke, and Mrs. Whidden, of Cowichan, committee.

The meeting held at the Empress Hotel in the afternoon was largely attended. A very interesting paper on the alms and objects of the Institute was read by Mrs. Hall, of Garden City. Mrs. Goodman read a paper on town control and how they are carried on in England. Mrs. Dayton, of Manitoba, spoke a few words, explaining how much good to the country women the town centres had been, and also stating that it was from Mrs. Watt they first got their information many years ago.

A resolution moved by Mrs. Rosen, of Strawberry Vale, and seconded by Mrs. Murray, of West Saanich, was adopted that an Institute be formed in Victoria.

Prof. Steven, of the Expert Mental Farm, gave a very interesting address on "Bulbs."

Miss Pearce's recitation and piano solo were much enjoyed.

A large number signed the roll, so that it will not be long before this splendid body of women will be organized and the Institutes will have a comfortable nest room, so long needed.

Mrs. Guy, Mrs. Fox, Mrs. Crocker and Mrs. Kerr were appointed as delegates to the annual conference of the Local Council of Women.

A BUSY PORT

The local harbor presented a scene of activity in shipping circles, and it was when the steamship Capt. C. J. L. of Victoria, the steamship Capt. Vulcan and the tug Point Ellice, which he is piloting, the tugboat, were all in port at the same time.

AN ENJOYABLE "SMOKER" HELD

Last Saturday Evening at the Moore
Club, James Island; Splendid
Programme.

BOWLING TOURNAMENT POINTS

Some Very Good Scores Made; Other
Items of Interest for Review
Readers.

(Review Correspondent)

JAMES ISLAND, Feb. 21.—One of the most enjoyable events of the season, at least for the male sex—was the smoker held on Saturday evening, Feb. 19, Mr. A. Holyoake, secretary of the Moore Club, occupying the chair.

The first item on the programme was an overture on the piano by Mr. Zola, of Victoria, pianist for the evening. The following local men contributed to the programme. The nature of their contributions is also indicated: Mr. David Lake, song; Mr. William Bond, song; Mr. Arthur Inglis, whistling solo; Mr. J. Rodgers, song; Mr. A. J. Dakin, song; Mr. James Lynch, song; the Howlers' chorus, selection of popular ditties; Mr. Anthony Dixon, piccolo solo; Mr. Holyoake, song; Mr. Sam. Colledge, song; Capt. Redford, song; Mr. Arthur Deakin, song; Mr. Thomas Deakin, song.

Mr. Arthur Inglis and Mr. William McVie introduced one of the novelties of the evening, "The Kitchen Orchestra," introducing music from the most weird instruments.

Half way through the programme a pause was made to allow Mr. J. H. Hall, president of the Moore Club, to present the Moore Shield to the club and the prizes to winners in the Bowling League. This was the "raison d'être" of the concert, in truth. The following are the names of the members of the winning team: Mr. George Newberry, Mr. A. J. Dakin, Mr. Arthur Deakin, Mr. Anthony Dixon and Mr. M. Marwick. Mr. J. Thompson received a prize for securing the highest average throughout the tournament, and Mr. Victor won the prize for the highest individual score.

Mr. Hall made a neat and appropriate speech in which he touched upon the fine spirit exhibited by both the winners and the losers throughout the tournament which had culminated in such a successful concert. He added also that it was a fine proof of the sociability existing among the men on the island.

The following list shows the standing of the various teams. The captains' names are given:

Team	No.	Capt.	Played	Points
1	5	G. Newberry	16	24
2	2	J. Thompson	16	20
3	8	J. Garvie	16	20
4	6	J. Ford	16	18
5	9	W. Bond	16	16
6	1	E. Elkington	16	14
7	4	W. Rivers	16	14
8	7	T. Robb	16	10
9	3	T. Rodgers	16	8

Light refreshments were served during the evening and the concert terminated with the singing of the National Anthem.

Another good series of pictures was exhibited last Thursday at the Moore Club, the subject being "The Youth of Tarzan." It was a thrilling tale of adventure and romance, but its chief attraction lay not in the story, which was far-fetched, but in the wealth of gorgeous scenery, the display of native African costumes and in the vivid pictures of animal life in the tropical forests. Such pictures are of high educational value and worthy of a place in the school curriculum. One can easily see how much aid they could offer and how much interest they would add, especially in the realms of history, geography and even literature.

There is a sequel to the story. It is entitled "The Romance of Tarzan" and shows how Tarzan arrives in England and wins both a bride and the home of his fathers. Don't miss it.

Mrs. J. M. Donaldson has returned from Nanaimo and Vancouver, where she had been the guest of her daughter.

We extend a welcome to Mr. and Mrs. E. L. Allen, who have come to live on the farm at the south end of the Island.

Mrs. James Lynch and her son have returned from their trip to Vancouver.

Mrs. Lewis Ganner, sister-in-law of Mrs. William Rivers, spent a week's holiday on the island with her little son at the home of Mrs. Rivers.

Mr. G. Dixon has been visiting here soon Mr. I. Dixon of this island will leave for home again on Sunday.

Mr. and Mrs. Ernest Shannon are entertaining friends from town.

RECOVERING FROM ACCIDENT

The many friends of Mr. John McVie, who was with an accident last week, will be pleased to learn that he is now recovering from his injuries and is expected to be all in port at the same time.

INSPECTED ROAD WORK.

Mr. M. B. Jackson, K.C., M.P.P. for the Islands district, motored out from Victoria on Saturday afternoon to Sidney, and visited various parts of the constituency, the special object of his visit being to see the work that is being carried on by the Public Works Dept. on the East Saanich Road, Broad's Cross Road, Centre Road, West Road, School Cross Road and Birch Road. Mr. Jackson made himself acquainted with what is being done and was able to see the progress that is being made.

MEETING OF TENNIS CLUB.

A meeting of the Sidney Tennis Club will be held in Wesley Hall, Third Street, on Monday evening, Feb. 28, at 8 o'clock. At this meeting officers for the ensuing year will be elected, and plans made for the approaching season. It is hoped that all members and those interested will be present.

FINAL MEETING OF I. O. O. E.

Presentation to Miss Wilkinson Last Tuesday Afternoon, When the Chapter Disbanded.

The final meeting of the Allies Chapter, I. O. O. E., of North Saanich, was held last Tuesday afternoon at 3 o'clock.

After the usual routine matter had been attended to, the disposal of the Chapter funds, crows and other things was discussed. A letter was read from Miss Olson, asking for financial assistance for her gymnastics classes, and a letter was also read from the secretary-treasurer of the Library Board asking that they be remembered when disposing of the funds. The final result of much discussion on these matters was that one dozen cups and saucers and tea-spoons be given to St. Andrew's W. A., one dozen to the Ladies' Aid of the Union Church, and the remaining two dozen be given to the Women's Institute.

The sum of \$10 was voted to Miss Olson, \$10 to the Library Board, and \$25, the flag and two small pictures were voted to the Veterans of France. The Charter frame was voted to Mrs. J. R. Wilkinson, who wished to present a framed picture of the Prince of Wales to one of the schools, and the War Charities Act frame was voted to Miss Wilkinson.

Miss Wilkinson was then presented by the Chapter with a purse as a small token of appreciation by the members of her long and faithful service in her office as secretary, an office she faithfully represented at every meeting, despite bad weather and other adverse conditions.

Although sorry to close the Chapter, it is felt the reasons for its existence now being over, and its usefulness to this district and to the Order as a whole being completed, it is in the best interests of all to discontinue. Several members have signified their intention of joining a Chapter in Victoria.

ANNIVERSARY WAS CELEBRATED

Twenty-Fourth Wedding Anniversary of Mr. and Mrs. W. Mitchell Fittingly Observed.

(Review Correspondent)

KEATING, Feb. 22.—Wednesday, Feb. 16, being the twenty-fourth anniversary of the marriage of Mr. and Mrs. W. Mitchell, a surprise party in their honor was arranged by the younger members of the family. About thirty guests from the nearby neighborhood were present to join in the festivities and to wish them a continuance of many happy years. The time was pleasantly passed in playing progressive five hundred and at the close of the evening delicious refreshments were served.

Under the direction of the South Saanich Women's Institute a dress-making class has been started, the first meeting taking place on Friday evening. The teacher is Miss Correy, of the Irene Dressmaking Parlors, and about eighteen pupils have been enrolled. Admission for these classes is obtained upon application to the School Board, and is under the control of the Department of Education, the government assuming four fifths of the expense and the Institute paying the remainder.

Miss Ivy Sherring was hostess at a delightful party on Friday evening at a delightful party on Friday evening at her home on Telegraph Road. About fifty guests were present, most of whom were from among the younger members of the community. The young people spent the time in dancing while the older ones played cards in an adjacent room. Every thing possible was done to provide an evening full of enjoyment and the party did not break up until about 2 a.m.

The trustees of the Temperance Hall held another of their fortnightly affairs on Saturday evening when a large crowd gathered to play billiards and dominoes. The successful ones were Miss Iola Lawrie, J. H. Cutton, Willard Mitchell and E. L. Lott. Concessions: Miss Doris Mitchell, Thos. Mitchell, W. C. Butler and H. Young.

B. C. C. TEAM LOST, 13 TO 11

Basketball Boys Defeated by the
Jordan River Team Last Saturday.

OTHER TOD INLET PARAGRAPHS

Athletic Club Held Card Party; A
Number of New Items of
General Interest.

(Review Correspondent)

TOD INLET, Feb. 22.—The B. C. Cement Co.'s basketball boys motored to Jordan River on Saturday afternoon, leaving here at 1.30 o'clock, and with one puncture to impede progress, finally arrived at their destination about 5.30 p.m. The boys were all rather tired after their long journey and were not able to do as good work as they are capable of. Nevertheless, they fought a hard battle and during the latter part of the second period it was fully expected the score would result in a tie. However, just before the whistle blew, Jordan River succeeded in making another basket and the resulting score was 13-11. The line-up was as follows:

Jordan River—J. Macorcar, C. Pearson, P. Giacomini, T. Halwood, R. Cumming.

Tod Inlet—D. Prescott, L. McLean, H. Bradstock, H. Stephens, T. N. Parsell.

The residents of Jordan River proved to be excellent hosts and the boys were entertained at a dance and supper, the Shawigan Lake team being also present.

Members of the basketball team had a good practice on Monday evening in the West Saanich Hall. They then busied themselves with decorating the hall with evergreens, ferns and paper garlands in readiness for the Valentine ball on Tuesday night. They were assisted by some of the young ladies.

Mr. M. Cramer paid a visit to old friends in the village on Monday afternoon.

Mrs. R. Greaves, of Vancouver, who has been visiting at the home of her son, Mr. W. Cramer, Victoria, for a few days, took advantage of this opportunity to call upon her old friend, Mrs. F. I. Ke, on Wednesday last.

The schooner Laura Whalen was towed to Victoria on Saturday by the tug Spray. The trip was made in good time, considering the violence of the storm. The crew consisted of Messrs. Carrier, Jellinski, Pike and McKenzie, and they have been the recipients of a good many compliments on their seamanship.

The card party given by the members of the Athletic Club was well attended and a very pleasant evening was spent. The game was progressive five hundred and Miss Freeland won the ladies' first prize with a score of 2990, while Mr. C. Strohm won the gentlemen's first with 2190 points. Fortune failed to smile on two members of the party and Miss W. Parsell had a minus score of 90 points, while Mr. W. O. Wallace was in the hole to the extent of 390. Mr. Wallace accepted his token of defeat with a jolly little speech, after which the floor was cleared and the remainder of the evening spent in dancing. Mr. Reese and Mr. Ellis very kindly provided music for the dance, and for the songs which the entire crowd joined in singing.

Mrs. Vanderhoof and daughter will leave on Tuesday next for Butte City, Mont., after spending a few months as guests at the Brentwood Hotel.

Cultivate the parcel post habit. Orders received by 9.30 delivered the same morning. Lesage, the druggist, Sidney. Phone 42.

**ALBERTA MARKETS**

(Market Examiner, Calgary, Feb. 18, 1921)

CATTLE

Calgary market had a tough week and prices are off from 25c@50c; choice steers \$6.75@7.35; good butchers, \$6@6.75; medium, \$5.25@6; common, \$4@5.25. Choice cubs, \$5@5.50; good butchers, \$4.25@5; medium, \$3.75@4.25. Bulls are hard to sell over \$4.75. Calves were not good veal and sold around \$6. Stocker and feeder steers lower, with good steers \$6@6.35; stockers, \$5@5.6. Stock heifers, \$4.85@5.50; stock cows, \$4@5.50. At present lower prices buying may be improved, but get in touch with market before shipping.

Prices on everything except the top beef cattle have been shaded in Edmonton during the week. Choice steers, \$7@7.50; good, \$6@6.75; medium, \$5@5.50; and common light ones down to \$4. Choice cows \$5.75@6.25; good \$5@5.50; medium, \$4@4.50; common and canner down to \$2.50. Stocker and feeder demand not brisk; feeder steers, \$6@6.25; stocker steers, \$4@5; stocker heifers, \$4@4.50; cows, \$3.25@4. There is a weaker tone on calves, with choice light worth up to \$10. Receipts light and shipping not encouraged at present.

HOGS.

Hog receipts also light at Calgary, and market Thursday was \$14@14.25. Sales on light market today at \$14@14.25. Hogs have also been selling lower at Edmonton, with the price \$13.75 on Thursday.

SHEEP.

Sheep shipments to Calgary this week made up of breeding, feeding and butcher grades. Fat wethers, \$7.75@8.25; ewes, \$5.50@5.75; no good lambs sold, price on best probably \$11.25. Sheep at Edmonton are scarce, and prices are steady with last week's prices, lambs \$9@10.50; wethers a little better, \$8@9.25.

HORSES

Auctions during the week at Calgary very slow, and prices hard to quote. It is still a buyers' market.

GRAIN

Fluctuations during the week were wide; Canadian milling demand taking quite a lot of our wheat. American markets stronger at times because of reports of green bug damage in southwest. Export business light.

PRODUCE

All lines very quiet and few changes. Some creamery butter prices likely to drop soon; dairy butter slow except fancy table, which brings 35c@40c at markets; off grades down to 20c. Eggs higher and quoted on wide spread, \$13.50@15; coast market higher. Poultry market slightly higher, with fowl and chicken 18c@22c; dressed birds at market stalls bring 30c@35c. Potatoes still slow, and no market outlet; country prices \$22@25; western American prices lower; B. C. unchanged.

Trade opinion at Edmonton inclined to lower prices on creamery butter, though for present unchanged. Dairy butter still lacks demand. Any drop in creamery prices will be reflected in cream prices, but they are still the same. Wintry weather in Alberta and a stronger market at the coast has advanced eggs. Poultry receipts light and shipments absorbed by retail trade; fowl, 18c; springs, 21c; turkeys, 31c. Cheese steady around 28c, and likely to hold until new make comes on the market.

HAY.

Wintry weather causes slight demand for hay, but no trouble in buying. Dealers still off the market, but paying \$18@20 for timothy and prairie hay from \$15 down, for limited quantity, country points.

WOOL

Western wool consigned to east nearly all sold; lower grades bring 25c down.

HIDES

"GAY"

"By Firefly"

"Something so unexpected, dear--at little wife. Sad news in one sense, but I know it will be a relief to your mind."

He handed her the telegram. She looked at it with unbelieving eyes.

"Eve killed in motor accident. Funeral at Wadhurst on Friday."

In spite of the fact that this took a load off Gay's heart, her eyes filled with tears.

"Oh, Roger," she said, "it is a relief in one way, but one can't help feeling sorry about it."

But their happy hours seemed to have ended for the meantime, for along the terrace came Mattlock bearing a silver salver.

"Another telegram, I'll be bound," said Roger. "Why the devil can't people leave us alone. I do call it a bit hard if a chap can't have a honeymoon without being disturbed."

"Telegram for you, sir," interrupted Mattlock's well modulated voice.

As Roger read it his face clouded.

"No answer, Mattlock."

Putting his arm around Gay, he said:

"Look here, dearest, this is the rottenest luck. It is I on the War Office telling me to report for immediate duty. That means we must move up to town. Could you be ready in half an hour? I shouldn't like to leave you here in case I don't come back to France."

"Do you think that is likely?"

Well, I don't know, the spring 'push' is on now and they may be hard up for officers. I suppose it is the fortunes of war."

He turned away and looked along the terrace. He was trying to maintain a casual demeanor, but his heart ached at the thought of leaving her.

Going up to town in the car Gay had it was from Roger. Her brain was very silent. She was thinking of what she had said at the end of the last few days. By and by he leaned towards her. Little dreamer, Roger Montgomery, Fifth Battalion

what are you thinking of?"

"You're going back to France. I shall be terribly lonely without you."

"Gay, you won't be half as lonely as I shall be. It is going to be awfully hard to part with you, but I shall be back in three months. Don't lose your heart to any of your patients, will you? You can't think what it will mean to me to have you to come back to. Just remember, I shall be a better soldier in every way."

They reached London, and Roger went directly to the War Office. He joined her later at their hotel with the news he had to leave for France that night. There were many things to do for Roger, and the time went all too quickly. She didn't go to the station with him, though she hated to miss a moment. When the car was waiting for him to depart, he came to her for one more last embrace.

"Little wife, God bless you. You are the bravest and most wonderful person in the world. Good bye," and he was gone.

No one knew what those moments had cost her. She cried herself to sleep that night, but the next morning, after a short visit to her cousin's, she started work in her new hospital in Grosvenor Square. Only a few days passed there. However, one afternoon Gay was standing by a hall window watching some of the patients who were getting into a car for their afternoon drive, when the hall orderly called her attention to the fact that a telegram had arrived and was on the board down stairs.

She walked slowly down the corridor, she was tired of telegrams, and she quickened her pace. Per- going up to town in the car Gay had it was from Roger. Her brain was very silent. She was thinking of what she had said at the end of the last few days. By and by he leaned towards her. Little dreamer, Roger Montgomery, Fifth Battalion

Canadian Infantry, was killed in action April 10."

Killed! He had gone—really gone. Her brave, gallant soldier. Her eyes were dry as she walked through the hall and up the stairs. She would be brave—she would be a soldier, too.

"Oh, God," she murmured, "help me to live."

And so that was the end of Gay's story. She was just one of the thousands that did her bit in the "Great War."

(The End.)

MARRIED YESTERDAY.

A wedding of much local interest took place yesterday in Victoria when Rev. Dr. Campbell united in marriage Frank Evan Purdy and Miss Hilda Mary, third daughter of Mr. and Mrs. Thomas Munro, both of Sidney. The bride, who was unattended, looked charming in a travelling dress of taupe poplin with hat en suite. After the ceremony Mr. and Mrs. Purdy left for Vancouver and other Sound cities. The many friends of the happy couple wish them a long, happy and prosperous married life, in which The Review joins.

**FEATURES OF B. C.'S NEW
LIQUOR ACT**

The Government's Liquor Control Bill was introduced in the Legislature yesterday by Hon. J. W. D. B. Farris, Attorney-General. Some of the leading features are:

Permanent residence permits will cost \$5.00 per annum.

Non-residents will pay \$5.00 for 30-day permit.

Two quart probable limit of single purchase.

Uniform price throughout the province.

Consumption of liquor permitted in hotel rooms.

Drunkenness in any place constitutes a punishable offence.

No drinking in public places.

No display of signs using words "Bar, bar-room, beer, liquor."

"Sealed package" may mean anything from a bottle to a barrel.

Tax of \$2.50 per quart upon all liquor not bought from Government.

Existing private stocks to be marked by Government stamp.

Warehouses to pay license fee of \$3,000 per annum.

Government stores open eight hours daily; closed on holidays and election days.

No liquor to those under 21 years of age.

Offence against law for host to permit drunkenness in his home.

Excessive drinking may lead to loss of permit through interdiction.

Inspectors have right of entry and search.

Municipalities to receive half of profits and must enforce laws.

Sidney School Notes

Two junior school gymnasium classes have been organized for Saturday mornings. Boys under 11 will have their class from 9.30 to 10.30 a.m., and girls 11 and under will have their class from 10.30 to 11.30 a.m.

The senior girls have six basketball teams, and it is hoped that one or two married ladies' teams will also enter.

The members of the Allies Chapter, I. O. O. F., have donated the sum of \$10 towards the school gymnasium apparatus.

A new beginners' class is being organized in Division IV of the school, and parents whose children will reach school age before the end of the term, and who wish their children to start school immediately, should bring or send their children to school on Monday next.

**Could Not Sleep**

Mr. Earnest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was brought about by overwork. I had frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion, was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine relieved me of all my symptoms. I am now feeling one hundred per cent. better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

Dr. Chase's Nerve Food, 50 cents a box, \$1 for \$2.75, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

Canadian Quiz Corner

(Copyright Canadian Facts Publishing Co.)

We are all apt to become provincial, to think that our town or province is the whole of Canada. Following this Quiz Corner carefully will provide an antidote as the questions deal not only with every part of the Dominion, but with a wide range of subjects as well.

The better a Canadian knows Canada and the more he knows about his native or adopted country, the better citizen will he be, and worth more to his employers and his vote will be by that much more intelligent. You can't know too much of your own country. This column will help in this direction. Try it.

THIS WEEK'S QUESTIONS.

No. 1—Where does Canada stand among the world countries in the production of wheat?

No. 2—Who were the two Jesuit Priests massacred by the Indians during the French regime?

No. 3—What was the famous couplet Kipling penned about Canada and her relationship to the Empire?

No. 4—How many inventions can you name that have been made since Confederation?

No. 5—Canada has become a great moving picture country. Have you any idea how many theatres there are for this purpose?

No. 6—Canada's tourist traffic has become a great national source of revenue. What do you think it is estimated at?

No. 7—Canada's wool crop has become an important business, in view of the growth of the sheep farms. What is the annual wool crop now worth?

No. 8—What river in Eastern Canada is called the Hudson or Rhine of Canada?

No. 9—Canada's subscriptions to the five War Loans and the Victory Loan were a remarkable evidence of the willingness of the people to respond to the government's call for financial backing. What great sum did they total?

No. 10—What great Indian chief has left his mark on early Canadian history, especially during the years preceding the war of 1812?

**ANSWERS TO LAST WEEK'S
QUESTIONS**

No. 1—Canada has 105,000 Indians, found in every province. They have nearly 100,000 acres under cultivation on their reserves and have a total annual income of \$8,500,000. Twelve thousand Indian children and young people are in 34 schools. Over 4,000 Indians enlisted in the war though they did not come with-

in the conscription law.

No. 2—Two thousand and forty-eight aliens were naturalized in Canada in 1919, representing 27 different countries.

No. 3—The township of Tiny and Tav, in the county of Simcoe, Ont., were named after pet dogs of Lady Simcoe, wife of the first Lieutenant Governor of Upper Canada, now Ontario.

No. 4—Father Hennepin, a Jesuit priest, is said to have been the first white man to see Niagara Falls in the course of his exploration to the west. This was in the year 1678.

No. 5—Canada's farm lands show a steady average increase from year to year and by decades, as revealed by the census. It is an important measuring rod of a country's prosperity. For example, the average value has risen in the five year period from 1914 to 1919 from \$38 to \$52 per acre, or an increase of 36 per cent.

No. 6—Canada has the largest nickel mine in the world, the Creighton mine, near Sudbury, Ont., where the largest deposits in the world are found, from which 85 per cent of the world's needs are supplied. Nickel was first discovered in Sudbury by accident, during the building of the C. P. R., a workman uncovering a piece of native ore. The nickel production value in 1919 was \$25,000,000.

No. 7—The Canadian government, through its Department of Agriculture, operates eighteen Experimental Farms, the main one being at Ottawa and the others in each province, including one in the Peace River country. They have done and are doing valuable work.

No. 8—Canada's national wealth is computed at \$17,000,000,000, or approximately \$2,000 per capita. The chief items are: Agriculture, \$5,200,000,000; railways, \$2,000,000,000; manufacturing, \$2,700,000,000; current production, \$3,526,025,000.

No. 9—The Battle of Stony Creek was fought at the village of that name, near Hamilton, Ont., on June 5, 1812. It was an important engagement in that the American forces that were making their way westward were here halted by a smaller force and made to retreat to the Niagara, thus saving a further invasion of the country. This setback had an important bearing on all the later part of the war of 1812-14.

No. 10—Few people realize the extent of importance of the rubber industry in Canada. Nearly \$43,000,000 are invested in it, and it employs 11,500 people in its two departments, that of rubber goods, and rubber boots and shoes. The value of the combined products has reached \$56,000,000.

THE END OF MR. AND MRS. RAT.

Two weeks ago Tommy, Molly, Bunty and Boodle heard the sad story of the two rats who smelt house and wandered off of their hole never to return. Bunty told you what she thought about it, and Tommy was certain they were killed and eaten. Now you must hear the story told by Molly and Boodle.

MOLEY'S STORY.

"The two rats stole out of the dark hole where they had lived since their infant, rather and crept along by the wall for some way till at last they reached an open piece of orchard in-

the hall. They could still smell the distant smell of cheese. Mr. Rat thought it was Dutch cheese, but Mrs. Rat was sure it was Canadian (Really, it was a piece of Gorgonzola, and very lovely too. Is that the right name, Tommy?)

"It's near enough," agreed her brother. "Go on."

"They sniffed a good deal before they made up their minds it was safe to walk on the oilcloth, but at last they bravely crossed the hall and trotted through the door into the pantry. It was quite free from people and very dark. Mr. Rat tiptoed across the room."

"Rats can't tip toe!" interrupted Tommy.

"These rats could. You can make animals do what you want in stories. Mrs. Rat followed her husband cautiously. They climbed up a slippery leg of a table and jumped over on to the nearest shelf. Mr. Rat had to talk softly to Mrs. Rat to persuade her it was all right to go on. He held one of her front paws under his arm in the loving way he had, and took a step forward. Snap! Snap! The trap caught them both in its strong embrace."

"Hoo hoo!" exclaimed Tommy. "A trap with an embrace! What an idea!"

"That's the end of them," added Molly with dignity. "If you can tell a better story you'd better start right in and tell it."

"All right, old lady. I didn't mean any harm. You are a dandy story teller. Now it's Boodle's turn."

BOODLE'S STORY.

"Those two rats didn't get killed," began Boodle. "I'll tell you what happened to them. They went out into the world to find all the cheese they could before they got old enough to die. They followed that lovely smell all the way through the house and out at the front door, and down the front steps off the porch, and into the garden and over the flower beds, and round the cucumber frame, and through a hole in the fence to the next door yard. The smell was getting very big by then, and they thought they saw it coming out of the next door pantry window."

So Mr. Rat climbed up the creeper and got on the ledge outside, and he hung his tail down carefully so Mrs. Rat could climb up that way. He was a very kind rat, specially to his wife. She got up and then they both jumped in through the window. They found the cheese quite easily by the smell, and ate up every crumb. It took them two hours, and five and a half minutes. Then they heard noises coming down the hall, and thought they had better get out through the window."

Now Mr. Rat asked Mrs. Rat if she thought they had been home, but she said she didn't think so, any more cheese in the world, so they went out into the next time. When they reached their home, a great big rat was waiting for them, and he said, "Welcome home, but the time

they just wandered about and ate everybody's cheese. They got quite brown in the face from being out of doors so much. One day about the middle of February they found a cheese factory, and they decided it would be a good plan to live there all ways. So they did, and that's why they never came back to their old home. That's the very end of the finished Boodle, and they didn't die so there."

U. F. HELD SOCIAL EVENING

Members of the North Saanich Local Enjoy Themselves at Centre Road School Last Friday.

The usual monthly social of the United Farmers of B. C., North Saanich Local, was held at the School, Centre Road, on Friday last, Feb. 18. A splendid turnout of more than eighty people were present.

The singing, cards, dancing and supper were thoroughly enjoyed by all until late hour. The president opened the evening by remarks on co-operation, and it was suggested that this topic be for discussion at the next business meeting, March 4. It is hoped all members will be there and bring other friends who are interested in the United Farmers' movement on co-operation. It was suggested in a short speech by the secretary during the evening, that the ladies of the United Farmers and the district form an auxiliary to this local for the purpose of fostering sociability, and mutual intercourse between families, and that they loyally support the efforts of co-operation. The social was a pronounced success, many new faces were seen and several new members promised. The evening closed with the president calling for a hearty vote of thanks to the ladies who were in charge of the enjoyable evening.

The next business meeting should prove very interesting from another aspect. The delegate attending the United Farmers' Convention at Vancouver will report the principal objects for which this convention was held. The business meeting will be held on Friday, March 4, at the North Saanich school, Centre Road, at 8 p.m.

Our Service

When the storm king is rampant, and the telephone wires go down, the trouble is almost instantly known at headquarters and steps are immediately taken to effect at least temporary repairs. Usually the service is out of commission for only a short time, for every preparation has been made for the emergency. When you hear the wind raving, when you hear the telephone troublemaker is checking up his kit to see that everything is ready when the news comes that the wires are down. Before the storm is over he is on the job to keep continuous the service on which the public depends.
